

Mass Offering

To request a Mass, please complete this form in **BLOCK CAPITALS**. Whilst every effort will be made to comply with your preferences, circumstances may dictate that we have to move this Mass Intention to another date and/or venue owing to the absence of a priest, replacement at short notice by a Funeral Mass, or some other unforeseen event. The Mass Intention will be printed in the weekly newsletter. If the Intention does not appear for some time, this may be due to a backlog of Mass Requests.
